Dear Ms. Weir:

We are grateful for *you*. We recognize your latest gift here, and we will also be sending you a summary of all of your 2021 giving in January 2022. Your giving demonstrates your support of our work, which we value.

Thank you for your donation of \$ [REDACTED] which was received on 11/20/2021, by the Pottstown Cluster of Religious Communities. This will be directed to our *area of greatest need*.

It is the time of year, when families who are struggling look to us for more than the basic needs of food and housing – that is, anything extra we can do for them for the holiday season. We will be distributing toys and winter coats to our clients, as supplies allow. We will also be using grant funding to help with the rising utility expenses that come with trying to stay warm in the winter.

Please tell your friends and family about the Pottstown Cluster of Religious Communities. If you haven't watched our virtual annual event, we encourage you to view this 25-minute program, which you can find on our website at <https://www.pottstowncluster.org/virtualevent2021/>.

Be assured your giving is making a difference.

With gratitude,

Dear Lisa Weir and Friends:

Thank you for your support in 2022. Our records indicate that your total 2022 giving was [REDACTED]. Please note this **does not include third-party gifts** such as United Way, any donor-advised funds, or workplace giving. If you need a document with the listing of each gift, I am happy to prepare that for you. If you believe the number here is not correct, please reach out to me so I can work to correct our records.

In 2022, we continued to work to serve individuals and families struggling with food and housing insecurity, made more challenging by the impact of inflation on the cost of food, utilities, and most of the essentials on which we all rely. We distributed enough food for 238,138 meals and approved over 1,050 applications for rent and utility assistance. We continue to offer one-on-one coaching and education programs to support our clients to become more self-sustaining. Every year we have needs and opportunities that are not grant-supported, so you help make all this work possible.

We hope you will include us in your 2023 philanthropy. If you want more information or would ever like a tour, please let me know. My contact information follows.

With great gratitude,

Jacqui Good
