Thank you for supporting our 2nd Annual Golf Tournament with your donation of [REDACTED] (check 18018, dated 10/7/2021). My sincere apologies for the delay in thanking you all. Al's Heart Warming Center opened on November 4th for this season, operating 7 days a week and it has kept me busy.

Pottstown LIFT has been operating Al's Heart Warming Center since December 2020 and has helped over 160 individuals with warm, safe shelter. Pottstown Living in Faith Together, LLC (Pottstown LIFT) is solely operated by private donations, and your generosity and continued support is appreciated.

In addition to your financial help, we would greatly appreciate your prayers.

In Gratitude,

Thomas C. Niarhos
